

SpotLighter Lead Retrieval:

- Use your phone or rent device from us with SpotLighter license.
- Use qualifiers to identify visitor needs.
- Enter free format notes if needed.
- Secure on-line portal allows access to captured leads and charts from smart phones in real time. Leads from rented device will be available on the portal after rented devices are returned to the service desk.
- Order Enterprise version to support workshops and sessions along with booth lead capture.
- Leads captured from different phones are consolidated in one report and are available to download in Excel/csv format.
