

Emergency Telephone Numbers

911

Client Services – 416 891 2505

TICC Security 416 676 6573

In Case of Fire or Smoke

- Leave the fire area immediately, closing all doors behind you
- Activate the nearest fire alarm pull station
- Report location of fire and/or smoke to TICC staff immediately
- Call 911 and provide detailed information

In Case of Fire Alarm

Intermittent Beeping with Flashing Lights

- Prepare to exit building
- Follow instructions over P.A. System

Continuous Beeping with Flashing Lights

- Leave the building via nearest exit
- If you encounter smoke, use alternate exit
- Once outside building, stay clear and do not return until Fire Official declares it safe to do so

In Case of Medical emergency

- Alert 911 and your Event First Aid Services on site if applicable
- Provide exact location
- Provide detailed information of the injury and the cause of injury
- Notify TICC Security at 416 676 6573 and Client Services at 416 891 2505
