

# ASM19

## Annual Spring Meeting

May 9-11, 2019

Metro Toronto Convention Centre, South Building

Dear ASM19 Exhibitor,

You may have received an email which looks like it was sent by me regarding an outstanding invoice. At first, these individuals were only using my name in the body of the email but they have now progressed to being able to send the email so that it looks like it is coming from my email address. Please be very careful about these emails and **do not open the attachment**. Legitimate ODA 'Invoice' and 'Receipt' attachments will be a pdf and the name of the document will include your company name, your invoice number and the invoice date – here is an example of an invoice for my 'TEST' account:

TEST\_1657\_2019011  
41354.pdf

You will also see my official ODA signature line as follows:
