

# Sustainable Solutions: Donations

If you no longer need certain materials from this event that could be used by someone else, let us know!

The Metro Toronto Convention Centre partners with local organizations to donate items rather than throw them out and to save you the trouble of shipping them back. This effort supports the community and makes the move out easier for everyone. Our partners include the Toronto District School Board, Habitat for Humanity, Margaret's Housing and Community Support Services, and Red Door Family Shelter.

Items such as pens, paper, notebooks, binders, backpacks and delegate bags, samples, furniture, and certain construction materials may no longer be useful to you, but they can make a big difference to the lives of others.

Inform us today of any item(s) to be donated and we will work with you to find the best home for them.

Please note that all materials to be donated must be preapproved prior to show open.

Contact the Sustainability Manager ([donations@mtccc.com](mailto:donations@mtccc.com) or 416-585-8137) if you have any questions or would like to make arrangements for your donation.
