### Easy Ordering Tips:

- Material Handling is the unloading and delivery of exhibit freight to the exhibitor's booth on the show floor. Material handling charges will be invoiced to you at show site for any freight unloaded and delivered. Use this form to plan, estimate costs and pre-order this service.
- Crated Material is skidded, or is in any type of shipping container that can be unloaded at the dock with no additional handling required.
- Special Handling is defined as shipments that are loaded by cubic space and/or packed in such a manner as to require special handling, such as ground loading, side door loading, constricted space loading and designated piece loading or stacked shipments. Also included are mixed shipments and shipments without proper delivery receipts.
- Uncrated Material is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks. The advance receiving warehouse cannot receive uncrated shipments.
- Collect shipments will not be accepted.
- GES is not responsible for concealed damage, damage to loose or inadequately packed shipments or loss of merchandise after delivery to booth.
- It is the exhibitor's responsibility to secure and maintain loss & damage insurance coverage for their exhibit properties.

## Step 1. Review Freight Material Handling Rates and Information

	Crated	Special Handling	
<b>Advance Shipment to Warehouse</b> (200 lbs. minimum per shipment)	\$99.50 cwt	\$142.50 cwt	
<b>Direct Shipment to Show Site</b> (200 lbs. minimum per shipment)	\$85.50 cwt	\$122.00 cwt	Uncrated \$150.50 cwt
<b>Small Packages</b> (50 lbs. maximum per shipment, received on show site only)		First Package \$46.00	Each Additional Package \$11.75 ea

### Advance Shipments to Warehouse Dates:

Tuesday April 17, 20: Advance shipments may begin arriving at warehouse.  
 Tuesday May 1, 201: Last day for shipments to arrive at warehouse.

### Direct Shipments to Show Site Dates:

Tuesday May 6 (by 4:00 PM): Direct shipments may begin arriving at exhibit site after 8 AM.  
 Tuesday May 7 from: Last day for shipments to arrive at exhibit site by 4 PM.

**What is a small package shipment?** Cartons and envelopes received without documentation will be delivered without guarantee of piece count or condition. Maximum weight is 50 lbs. for the first shipment, per delivery. This includes UPS and Federal Express shipments. All shipments received via air carrier that do not fall under the small package category may be subject to special handling charges.

## Step 2. Estimate Order

### Material Handling

Calculate Total CWT (Enter in increments of 100's only; round up to the next 100 mark if your weight is more than 8 lbs. over the previous 100 mark. 200 pound minimum per shipment.). We understand that your calculation is only an estimate. Invoicing will be done from the actual weight. Adjustments will be made accordingly.

\_\_\_\_\_ pounds of freight ÷ 100 = \_\_\_\_\_ Total CWT x \_\_\_\_\_ Rate = \_\_\_\_\_ Subtotal + 5% GST

1st Small Package Piece = \$46.00 + \_\_\_\_\_ Additional Pieces x \$11.75 = \_\_\_\_\_ = \_\_\_\_\_ Subtotal + 5% GST

## WELCOME TO CANADA

Canada is very proud to open its doors and borders to International Conventions, Meetings and Tradeshows. Like all countries, we have rules and regulations with respect to crossing the border and they are controlled and administered by Canada Customs, an official agency of the Revenue Department of the Canadian Government.

GES Customs Brokerage Services can help you make exhibiting across the border a simple and straightforward two-way experience for your people, products and display equipment. The following pages contain information and forms to assist you in that process by explaining what and when things have to be done.

### 1. Use Official Suppliers

It is beneficial for exhibitors to use the official suppliers selected for the show (i.e. GES Customs Brokerage Services and GES Logistics).

### 2. Complete Customs Documents

Complete all mandatory and necessary documents and fax copies to our GES office prior to shipping. Send all originals with the shipment and bring 2 copies to the show.

### 3. Ship on Time

Have materials shipped to arrive 7 days prior to move-in and consolidate shipments to reduce costs. GES Logistics is the recommended transportation carrier. All shipments must be paid for in advance. We do not recommend shipping by parcel carriers or by mail.

### 4. Hand Carrying or Private Vehicle

Notify GES at least a week in advance if you are bringing goods with you on the plane or crossing the border in a company, rental or personal vehicle.

### 5. Tracing Service

To assist GES personnel in locating your exhibit freight please bring a record of the shipment "Tracking Number" provided by GES Logistics or your carrier. Our personnel have the knowledge and connections to expedite your shipment to the show site as quickly as possible.

### 6. Changes & Return Shipments

Notify GES Customs Brokers immediately of any change(s) to what is being shipped, quantities, addresses, etc., as well as what materials will be returned to the U.S. and provide the correct return address.

### 7. Communicate with GES CUSTOMS/LOGISTICS Contacts

GES will be in touch with you starting 3-4 weeks prior to the event and will have staff on site or on call during move-in, show days, and move-out. Exhibitors will be provided with cell phone numbers for 24-hour, 7-days-a-week access to your GES CUSTOMS and LOGISTICS contacts.

# Limits of Liability and Responsibility

All orders are governed by the GES Payment Policy and GES Terms & Conditions of Contract as specified in this Exhibitor Services Manual.

**Solar Canada 2019**  
BMO Centre, Hall D  
May 8 - May 9, 2019

Discount Deadline Date:  
Wednesday April 24, 2019

1. GES CANADA Exposition Services herein known as GES and its subcontractors shall not be responsible for damage to uncrated materials; materials improperly packed, glass breakage or concealed damage.
2. Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth by GES or its subcontractors and the arrival of the Exhibitor's representative at the booth. Similarly, relative to outgoing shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pick-up of materials from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in the booth unattended.  
  
Therefore, it is agreed that GES and its subcontractors are not responsible for the loss or disappearance of Exhibitor's materials after the same have been delivered to Exhibitor's booth, nor are GES and its subcontractors responsible for Exhibitor's materials before they are picked up from the Exhibitor's booth for loading after the show. Consequently, all bills of lading covering outgoing shipment(s) submitted to GES or its subcontractors by Exhibitor will be checked at the time of pick-up from the booth and corrected where discrepancies exist.
3. GES and its subcontractors shall not be held liable for any damage incurred during the handling of equipment requiring special devices to properly load, place or reload unless advance notice has been given to GES in time to obtain the proper equipment.
4. GES and its subcontractors shall not be responsible for loss, delay or damage due to strikes, lockouts or work stoppages of any kind.
5. GES and its subcontractors shall not be responsible for ordinary wear and tear in handling of equipment, nor for loss or damage due to fire, theft, windstorm, water, vandalism, acts of God, mysterious disappearance or other causes beyond their control.
6. It is understood that GES and its subcontractors are not insurers. Insurance, if any, shall be obtained by the Exhibitor. Amounts payable to GES hereunder are based on the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor's property. It is further understood and agreed that GES and its subcontractors do not provide for full liability should loss or damage occur. It is agreed that if GES or its subcontractors should be found liable for loss or damage to Exhibitor's equipment, the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to \$0.30 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less, as agreed upon damages and exclusive remedy. Provisions of this paragraph shall apply if loss or damage, regardless of cause or origin, results directly or indirectly to property through performance services to Exhibitor's or from negligence, active or otherwise, by GES, its subcontractors or their employees.
7. GES and its subcontractors shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues or for any collateral costs that may result from any loss or damage to Exhibitor's materials which may make it impossible or impracticable to exhibit same.
8. Claims for loss or damage must be submitted to GES by the close of the show. No suit or action shall be brought against GES or its subcontractors more than one year after the cause of action.
9. The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its materials, that GES and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. If any employee of GES or its subcontractors shall sign a delivery receipt, bill of lading or other document, we agree that GES or its subcontractor will do so as the Exhibitor's agent, and the Exhibitor accepts the responsibility thereof.
10. GES and its subcontractors shall not be liable for shipments received without receipts, freight bills or specified unit counts on receipts or freight bills, such as a courier or van lines. Such shipments will be delivered to booth without guarantee of piece count or condition.
11. Empty container labels will be available at the GES Service Centre. Affixing the labels is the sole responsibility of the Exhibitor or its representative. It is understood that these labels are used for EMPTY STORAGE ONLY, and GES and its subcontractors assume no responsibility for loss or damage to contents while containers are in storage or for mislabelled containers.
12. In order to expedite removal of materials from the show site, GES shall have the authority to change designated carriers, if such carriers do not pick up on time. Where no disposition is made by the Exhibitor, materials will be taken to a warehouse to await Exhibitor's shipping instructions, and the Exhibitor agrees to be responsible for payment of charges relating to such handling at the warehouse. GES assumes no liability as a result of such re-routing or handling.
13. The Exhibitor agrees, in the event of a dispute with GES or its subcontractors relative to any loss or damage to any of your materials or equipment, that the Exhibitor will not withhold payment in any amount due to GES for material handling services or any other services provided by GES or its subcontractors as an offset against the amount of the alleged loss or damage. Instead, the Exhibitor agrees to pay GES prior to the close of the show for all such charges and further agrees that any claim the Exhibitor may have against GES or its subcontractors shall be pursued independently by the Exhibitor as a completely separate transaction to be resolved on its own merits.

The consignment or delivery of a shipment to GES or its subcontractors by an Exhibitor or by any shipper on behalf of the Exhibitor shall be construed as an acceptance by such Exhibitor (and/or other shipper) of the terms and conditions set forth in Sections 1 through 13 above.

Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that Exhibitors arrange all risk coverage. This can usually be done by riders to existing policies. Contact your insurance representative. Be sure your liability insurance is in effect during transit and return of your materials, during storage and at show site.
